The Latin American Cultural Center (LACC) is an exciting new outreach initiative of the Latin American Studies Association in its headquarters building in Pittsburgh, Pennsylvania. The mission of the Latin American Cultural Center is to celebrate Latin America through compelling programs dedicated to fostering a heightened understanding and appreciation for Latin American arts, history, and culture.

LACC features a permanent exhibit on Latin America and the Caribbean, a beautiful performance center, grand spaces for events, and a spacious special exhibit gallery for rental exhibits or exhibits developed in-house. As the Center develops, LACC's exhibits and activities will be represented on its multilingual website.
